Columbia International Affairs Online (CIAO) is the most comprehensive resource devoted to research, analysis, and scholarship on international politics and related fields. All documents and articles come from government research organizations, independent think tanks, university analysis centers, and scholarly journals. The material includes full-text working papers, policy briefs, and current analysis and commentary, as well as scholarly journal articles, e-books, and videos. The Economist Intelligence Unit supplies comprehensive country surveys, including in-depth political and economic data and detailed maps.
